# Confirmation

## IK Initiative „Zero Pellet Loss“

**Verpackungswerk HUCKSCHLAG GmbH & Co. KG,**  
Hemsack 12, 59174 Kamen

undertakes in the framework of self-disclosure

- to create the requisite technical and organisational framework in its operations in order to avoid the spillage of pellet and to ensure that any pellet spilt is not released into the environment,
- to provide training to its employees in the prevention and, should the situation arise, effective elimination of plastic pellet spillage and
- to review the effectiveness of these measures at regular intervals.

The requirements of this confirmation shall be reviewed every two years.
